In 1940, at the age of 14 (Oct. 31, 1926), Jesse Barton Cooley came from Milford to Brighton with his mother, Frances. October 4, 1917, his mother married widower Frank S. Conley four days after Jesse entered the Army September 30, 1917. After training at Camp Custer the Private was transferred to Camp MacArthur at Waco, Texas. As a member of Co. 3, 128th Infantry, 33rd Division (the Red Arrow Division so named because they 'shot through every line the Boche put before them,' he was shipped overseas the following February to assure the 'World must be made safe for democracy.' That August 2, 1918, not yet 22 years old, he became the first war casualty from Brighton in WW I.

Brighton Argus, August 20, 1918. "Today the flag on the village hall floats at half-mast..." begins the article telling of the death of Cooley in the Fields of battle in France. Brighton Argus, July 13, 1921. "The body of Jesse B. Cooley, a decorated veteran of the World War, is expected to arrive in Detroit Thursday. The body has been transported by the government from the battlefields of France, where it was buried following death in action. A military funeral will be held in honor of the veteran.

Brighton Argus, July 20, 1921. "The pain and ordeals of the great war were brought back to the minds of the Brighton people Sunday, when the body of one of Brighton's soldier heroes, Jesse B. Cooley, was buried at Fairview Cemetery." Rev. M.W. Weaver officiated and members of the American Legion were pall bearers, July 17, 1921.

The Brighton Legion Post was organized shortly after the American Legion was formed in 1919. To commemorate Cooley's sacrifice the local post was named the Jesse B. Cooley American Legion Post #235. Members of that post are still bringing dignity and reverence to the final resting places of local veterans.

John Avis, at 27, was the other of the two from Brighton killed in WW I in France. July 31, 1918, he also was interred in Fairview. The Brighton Argus noted..."John Avis was killed in the Argonne Forest when going over the top for the 5th time, November 1, 1918, only 10 days before the Armistice was signed." Two and a half years before the Selective Service Act was made into law, Avis had enlisted December 4, 1915 in Detroit in the 5th Marines, 7th Co., 2nd Division which went overseas August 12, 1918. He was the son of James and Mary Avis. He had married Jennie Lewis February 6, 1917, and had a daughter Clara, b. February 25, 1918, in Long Island, New York. Again the American Legion was in charge of services at Fairview.

In 1945 his nephew, Robert Avis, served in the Pacific Theater. The war to end all wars, didn't. The lives of 16 from Brighton were lost during that one. May we, who benefit from the sacrifices of Cooley, Avis and untold others, never fail to remember their dedication. ARCHIVES:
Determining where items are to be filed and how to record for retrieval for research continues. Several notebooks on county cemeteries are on the shelves.

LYON SCHOOL:
Over 90 3rd graders from Spencer Elementary spent two days experiencing education in early Michigan. The pledge of allegiance at the flag pole was followed with a single file (girls and boys) trek into the school. McPherson's Readers and slates were used and the teachers' well-planned lessons followed a short description of a c. 1890 day at Lyon School. Next May students from Honour Elementary will visit. Home school groups have also visited. Other groups are welcome. The community supported this restoration - the community should make use of it.

FRIENDS OF LYON SCHOOL
Several major expenses have recently been incurred in the maintenance of Lyon School, Society headquarters.
A new power step-down replaces the non-functioning one in the heating/cooling unit in the archives room, plus an inspection. The unit in the school room was also inspected. The work was performed by CM Services.
To avoid possible accidents two dead trees along the south side of the property have been cut and the stumps removed.
These kinds of maintenance incur charges which need to be paid. Contributions to Friends of Lyon School go far in continuing proper care of this historic site.

24th ANNUAL MEETING
November 28, 6:30 p.m.
Annual reports and election of board. All members are urged to attend to direct the future of the Society.

BASE FDT, HOME TOUR
The first two weekends in December a B.A.S.E. Foundation home tour will be held in Brighton. Tours for a three-hour tour, contact Sarah Grant, 810/220-1164 to schedule.

Our Crazy English Language
"It is now time to face the fact that English is a crazy language—the most choppy and wiggly of all tongues. What other language do people drive in a parkway and park in a driveway?" In what other language do people play at a recital and recite at a play? Why does night fall but never break and day break but never fall? Why is it that when we transport something by car, it's called a shipment, but when we transport something by ship, it's called cargo? Why does a man get a hernia and a woman hysterectomy? Why do we pack suits in a garment bag and garments in a suitcase? Why do privates exist in the general mess and generals eat in the private mess? Why do we call it newspaper when it contains no printing but when we print on it, we call it a newspaper? Why are people who ride motorcycles called bikers and people who ride bikes called cyclists? Why—in our crazy language—can your nose run and your feet smell?" —Richard Lederer
