

## Lyon School Fence Replacement *Matching Funds Campaign* *Your donation will be doubled!!*

OLD FENCE

NEW FENCE LOOK

As the *Brighton Area Historical Society (BAHS)* continues to preserve the *Lyon School* building and its site on Buno Rd., the time has come to replace the fence surrounding the site. In the 1990's, the *Wilcox family* generously donated the current fence. The fence has served us well over the years, but time and weather have taken a toll on the condition of the fence.

***Corrigan Oil Co.*** has agreed to match funds raised by the *BAHS* to pay for the new PVC fence. This is in honor of their mother, ***Bonnie Marie (Armstrong) Corrigan***, a Lyon School student, who was very proud of having attended the school in her youth.

**At BAHS, we are very grateful to *Corrigan Oil Co.* for their generous offer.**

*We are counting on our supporters to help us raise the \$7,000 we need to maximize the Corrigan Oil Co. Matching Fund Campaign to raise the \$14,000 needed to fund the new Bonnie Corrigan Fence. The Replacement Matching Fund runs through July.*

***Any amount will be matched.***
