

# Mellus Hospital Heritage Day

**JULY 19, 2025 10:30 A.M. - 1:30 P.M.**

**218 E. GRAND RIVER BRIGHTON, MI 48116**

Brighton Area  
HISTORICAL SOCIETY  
BRIGHTON, MICHIGAN

Trinity Health

*Greater Brighton Area Chamber is partnering with the Brighton Area Historical Society and Trinity Health for a special celebration of Mellus Hospital Heritage Day. Honoring the rich history of Mellus Hospital, a two-story Georgian-designed building perched on the hill north of town that was constructed by Dr. Horace Mellus in 1931 as the first modern hospital in Brighton.*

*This partnership understands the importance of connections and service to the businesses and individuals in our community. Experience guided tours, historians, personal experiences, and refreshments as we take a Walk Through Time.*

*Our key note speaker, Dave LewAllen, a Brighton High School graduate, Mellus Hospital baby, and retired Channel 7 News anchor, will kick this event off for us.*

*We are also honored to welcome John O'Malley, President of Trinity Health Livingston, who will share a few words on the continued legacy of healthcare and community support in Livingston County.*
